OLEKSANDR LEVCHUK

FULL-STACK WEB DEVELOPER

✉ axlevchuk@gmail.com   🌐 levchuk.dev   in oleksandrlevchuk   ○ alxlvgit

SKILLS

Languages	JavaScript, TypeScript, Java, SQL, HTML, CSS
Tools	VS Code, Git, Github, Figma, Photoshop, Android Studio
Other Technologies	Node, Express, MySQL

PROJECTS

Portfolio Website - HTML, CSS, JavaScript, Swiper API, Netlify   (2023)

- Developed a responsive personal website to display my work

Real-time Photo Feed - JavaScript, Node, EJS, HTML, CSS, Socket.IO   (2022)

- Ran the server, handled routes with the Node HTTP module, and implemented the photo upload functionality with the Formidable module.
- Added the support for real-time photo feed by using the Socket.IO library.

BluetoothTimer - Java, Android Studio, Android Bluetooth API   (2020)

- Developed an Android application to set a timer that will automatically turn off the Bluetooth adapter or unpair the Bluetooth device.
- Integrated all required permission requests to get access to the user's device's Bluetooth adapter functionality.

BillTracker - Java, Android Studio, MPAndroidChart Library, SharedPreferences API   (2019)

- Built an Android mobile application to keep track of the most recent bills.
- Used MPAndroidChart Library to display a summary of bills on the pie chart.
- Utilized SharedPreferences to create temporary storage for the application data.

WORK EXPERIENCE

Milestone Automation Solutions Inc.

Automation Technician, Full-time   Mississauga, ON (02/2019 - 07/2022)

- Updated the PLC programs for small-scale industrial machines that increased the overall quality of goods produced by the automated system.
- Troubleshot the industrial electrical panels and eliminated the issues in various types of automated systems, resulting in reduced downtime.
- Installed and configured electronic and electrical control components as the retrofit or within a newly built automated system.

Skiis & Biikes

E-Commerce Team Member, Part-time   Mississauga, ON (11/2020 - 01/2021)

- Accurately fulfilled Shopify, Amazon, and eBay online orders, by utilizing quickly learned E-commerce and inventory management software.
- Resolved customer order inquiries or requests for information and maintained the shipments preparations while working in a team
